

SC-836-000

AA ER14505M 3.6V Lithium Battery

### Details

---

- For use with SmartCell wireless devices

# SC-836-000

## AA ER14505M 3.6V Lithium Battery

### Technical specifications

---

#### General

Product type	Lithium battery
--------------	-----------------

---

#### Electrical characteristics

Nominal voltage	3.6 V
-----------------	-------

---

Nominal capacity	2.1 Ah
------------------	--------

---

#### Physical

Physical dimensions	14.5 x 50.5 mm (Ø x D)
---------------------	------------------------

---

Net weight	19 g
------------	------

---

#### Environmental

Operating temperature	-55 to +80 °C
-----------------------	---------------

---

Storage temperature	< 20 °C
---------------------	---------

---
